

## ***A Message From Dyersburg Chief of Police Steve Isbell***

I would like to welcome you to our Department Website. I am honored to lead the team of dedicated professionals that make up the Dyersburg Police Department, and to serve this great community as your Police Chief. Our number one priority is to provide public safety and to be a service-oriented police agency with an emphasis on community policing.

The men and women of the Dyersburg Police Department and the community we serve deserve to be represented by a professional agency and we will work hard to provide the programs and services that our citizenry has come to expect. I would like to thank all of our men and women of the Department as well as Mayor Holden & the Board of Aldermen for their support. I have an open door policy and encourage all citizens to call upon me or any of our staff with comments & concerns on how to make our community a safer place to live and work.
